Location: Tiruvannamalai, Tamil Nadu, India

PROFESSIONAL SUMMARY

Detail-oriented Web Developer with hands-on internship experience in building responsive user interfaces. Proficient in HTML5, CSS3, JavaScript (ES6+), and TypeScript. Passionate about developing scalable web applications and bridging the gap between Deep Learning and web architectures. Skilled in the Software Development Life Cycle (SDLC) and version control. Seeking to contribute technical expertise to a dynamic development team.

EDUCATION

Sathyabama University

Master of Computer Applications (MCA) - CGPA: 8.43

2024 – 2026

Chennai, India

Thiruvalluvar University

Bachelor of Computer Applications (BCA) - CGPA: 7.9

2021 – 2024

Tamil Nadu, India

WORK HISTORY

Web Developer Intern

Pentagon Innovations

Jan 2026 – Present

Chennai, Tamil Nadu

- Developed responsive web pages using HTML, CSS, and JavaScript to ensure high-quality user experiences.
- Integrated frontend elements with backend systems using REST APIs to improve data flow efficiency.

TECHNICAL SKILLS

Frontend: Angular, React.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, DOM Manipulation

Backend/Tools: Python, Java (Basics), Git, GitHub, REST APIs, VS Code, SDLC

Other: Senior Typist (English) - High Accuracy

PROJECTS

Multimodal Deepfake Detection System

Technologies: Python, Angular, Deep Learning

- Developed a multimodal sentiment analysis system using text, audio, and facial expressions.
- Classified emotions as positive, negative, or neutral with improved accuracy for news media.

Privacy Protection For Cloud Storage & Content Regulation

Technologies: Python, Cryptography Algorithms

- Designed a system ensuring secure, encrypted, and privacy-protected cloud storage.
- Implemented controlled access and data confidentiality protocols.

Stock Market Prediction

Technologies: Python, Machine Learning

- Built a model that predicts stock market trends by analyzing historical data.
- Forecasted future price movements accurately using machine learning algorithms.

CERTIFICATIONS & LANGUAGES

- **Certifications:** Naan Mudhalvan Course, Machine Learning Using Python, Python For Data Analytics
- **Languages:** English, Tamil
